Description

Fierce Conversations is an engaging and highly effective program that will teach you how to communicate with people in your company and your personal life, in a way that will drive results.

This Fierce Conversations program is comprised of the foundation and three conversation models:

The Foundation | Set the stage for change.

Team Conversations | Create internal think tanks; promote a high level of collaboration.

Coaching Conversations | Improve decision-making ability and foster self-discovery.

Confrontation Conversations | Strengthen relationships while tackling tough issues.
