

HOT SUMMER MCA LUNCHEON EVENT!

Date: **Wednesday, August 12, 2009**
Time: **11:30 a.m. – 1:30 p.m.**
Location: **Rock Salt Steakhouse**
Cost: **Free**
Topic: **'Managing Safety Risk in a Difficult Economic Climate'**

One simple (but often overlooked) way to save money is by implementing smart safety practices. This highly informative session, brought to you by the MCAWW Safety Committee, will be packed with valuable tips and tools to convert your firm's safety practices into savings. *Owners and principals in particular will not want to miss the opportunity to hear from these powerful resources!*

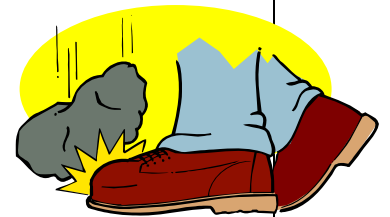

Where Is My Money Going!?!?

- Discover how much extra profit is required to cover the cost of even one small injury
- Learn how to deal with injuries amongst ageing workers on the verge of retirement

Don't Let Claims Cause Pain!

- Proven tips on how to manage claims
- The importance of staying involved in every step of a claim
- Why 'Light Duty' is an essential part of claims management

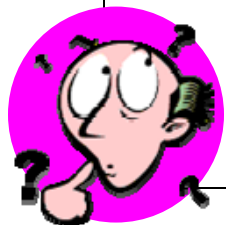

The 'Haves' versus the 'Have Nots'

- 4 key elements you must have in your Safety Program

Afraid of Bureaucracy? Don't Be!

- How to navigate rules & regulations
- How to interact with government authorities

Where to Turn?

- Where to turn for updates, information, training and assistance on your firm's safety-related matters
